I am the applicant named and described in the annexed Affidavit

I was naturalized in the Circuit Court of Cook County, in the State

said records were burned and destroyed in "The Chicago Fire", on or

Gentlemen.

Referring to enclosed
application of
J. F. Edmann
rejected on account of
discrepancy in date of
his arrival in the U. S.
and date of issue of
his citizen paper I
beg to offer the following
explanation

Mr. Erdmann has
received several passports
and herewith enclose
the one last granted
to him and I am
quite certain that
Mr Erdmann was in
this country fully
five years before he
applied for his citizen
paper.

The date in the
application is no doubt
a clerical error but
as Mr Erdmann has
already left for Europe

I must make any
changes

In view of this
explanation will you
kindly reconsider
the case and if
possible issue a
new passport.

Should however the
rules of the Department
forbid this, please have
the kindness to
return me the papers
if money herewith
enclosed

Enclosed please
find
1) application for passport
2) One Dollar fee.
3) Naturalization Paper
4) Old passport.
5) your letter of the 9th.
Mr Erdmann has been
in the country over
years and I should
think this alone would
entitle him to a
passport.

Yours Respectfully
Max J. Kopp

Hon. Secretary of State

Passport Division, Washington D.C.

Dear sir:

Your favor bearing date of the 12th inst referring to the delay in the issuance of passports to hand. Pursuant to your suggestion I have enclosed another application for the issuance of a passport to Myer Solomon of this city. You will also find enclosed my affidavit to the effect that I remitted the fee of \$1 to your department as required by law.

Referring to the particulars required by you in order to obtain duplicates of Naturalization papers, for those whose papers were destroyed would state that Mr. Solomon received his *naturalization* papers on the 11th day of May 1895 from the United States Court sitting in this City. He does not know the name of the Court but I believe that the District Court of the United States sitting in this City is the Court to which the applications are usually made.

I trust that this matter will be attended to immediately as it has cost my client, who is a confirmed invalid, as well as a poor man, a considerable sum of money, for him, while waiting here for more than seven weeks to receive his passport. It has been the source of much hardship to him, and I trust that you will use every means in your power to arrange matters so that he can leave America this week.

Hon. The Secretary Of State of
The United States,
Washington, D. C.

Sir:-

Mrs. M. Mackintosh, a citizen and the wife of James Mackintosh, a naturalized citizen of the United States, whose Certificate of Naturalization we beg to enclose herewith, applied on the 2nd inst. to your Department for a Passport. Her husband's Certificate was returned to us for the reason that the applicant did not use the proper blank. As Mrs. Mackintosh left for Europe on the 22nd inst. it is impossible to procure her signature to another application blank. As, however, the application that Mrs. Mackintosh has sworn to is of the same tenor as the form prescribed for the application with the exception that she does not state in her affidavit on which day her husband emigrated to the United States and on what steamer he sailed, which data she could not give as her husband had sailed for Europe last month already, we would respectfully request you to accept her application in the present form and grant her the Passport, which she is in need of, as she intends to visit Russia, so that she may have the protection to which she is entitled as the wife of a citizen of the United States.

Gentlemen!

Regarding the enclosed application will say that I have frequently made out applications in the same manner and have always obtained the passports. If the rules have since been changed I was not aware of it. Mrs. Dreyer is now in Germany unable to proceed to her destination on account of the passport. You will understand that I am unable to secure her signature to the application because of her absence. Had you immediately returned the application (Mrs. Dreyer having sailed July 2) there would have been sufficient time in which to obtain her signature. Therefore I will ask you if it is possible in this instance to grant the passport. Awaiting your immediate reply I am, yours very truly
